PROFILE SUMMARY

Currently attending Flatiron School in Denver and pursuing a career in Software Engineering. Passionate about exploring, building, creating, and learning. Experienced manager with a demonstrated history of working in the hospitality industry and social services. An advocate for people exhibited by exceptional customer service and supporting at-risk youth and families.

EXPERIENCE

SOFTWARE ENGINEERING STUDENT

FLATIRON SCHOOL // DENVER // 2020 – Present

15 Week Intensive Full Stack Web Development, React, Ruby on Rails and JavaScript Program.

- Frontend: JS fundamentals(ES6+), Component Pattern, React.js, Redux
- Backend: Ruby fundamentals, MVC pattern, Rails, SQL, ORMs, Active Record, Ruby on Rails

SHIFT MANAGER

SANITAS BREWING // BOULDER // 2015 – 2019

Provided reliable and engaging customer service in a fast paced environment while supporting staff and daily business operations.

- Ensured that each client left with a positive and memorable experience in what is considered, “The Sanitas Journey”.
- Attended to daily inquiries and addressed customer issues immediately as they arose.
- Managed daily scheduled staffing, inventory, and ordering of supplies.
- Oversaw the content management system and daily cash flows.
- Assisted with coordinating and event operations.
- Maintained cleanliness, professionalism, and high company standards at all times.

MENTOR

PRN FOR FAMILIES // LAKEWOOD // 2014 – 2018

Provided one on one care and support to clients, including around the clock guidance, support, and crisis management.

- Monitored school attendance and performance, social skills, nutrition, fitness, and overall mental health stability.
- Coordinated with a team of mental health professionals including daily check-ins and weekly reviews.
- Engaged family members in positive activities that resulted in greater unity and positive family dynamics.
